The Organic Centre Company Limited by Guarantee

TRUSTEES' REPORT

for the financial year ended 31 December 2025

The trustees present their Trustees' Report and the audited financial statements for the financial year ended 31 December 2025.

The financial statements are prepared in accordance with the Charities Act, 2009, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Trustees' Report contains the information required to be provided in the Trustees' Annual Report under the Statement of Recommended Practice (SORP) guidelines. The trustees of the charity are also charity trustees for the purpose of charity law and under the charity's constitution are known as members of the board of trustees.

In this report the trustees of The Organic Centre Company Limited by Guarantee present a summary of its purpose, governance, activities, achievements and finances for the financial year 2025.

The charity is a registered charity and although not obliged to comply with the Statement of Recommended Practice applicable in the UK and Republic of Ireland FRS 102, the organisation has implemented its recommendations where relevant in these financial statements.

The organisation is a company limited by guarantee with charitable status, incorporated on 27th May, 1995, it was granted charitable status by Revenue in 1996 and registered as a charity in 2014. The company was established under a Memorandum of Association and is governed under its Constitution.

Mission, Objectives and Strategy

Objectives

The company's objectives and principal activities are to:

- Provide training and education in relation to organic gardening, horticulture and sustainable living.
- Sell tradeable goods and services.

Structure, Governance and Management

Structure

Recruitment and Appointment of Management Committee

Under the requirements of the Constitution one third of the members of the Management Committee who have the longest service retire from office at each AGM but are eligible for re-election if so deemed.

Directors Induction and Training

New directors receive induction into the organisation from managers and from existing board members. Training opportunities in, eg governance and charity law are made available to directors by management as they arise.

Risk Management

The Management Committee has conducted a review of the major risks to which the company is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the company faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are periodically reviewed to ensure that they continue to meet the needs of the company.

Organisational Structure

The Organic Centre Company Limited By Guarantee has a Management Committee who meet quarterly and are responsible for the strategic direction and policy of the company. At present the Committee has nine members from a variety of professional backgrounds relevant to the work of the company. A scheme of delegation is in place and day to day responsibility for the provision of the service rest with the chairman of the Board along with the General Manager, the Marketing Co-ordinator and Head of Accounts. The Chairman of the Board is responsible for ensuring that the company delivers the services specified and that key performance indicators are met.

The Organic Centre Company Limited by Guarantee TRUSTEES' REPORT

for the financial year ended 31 December 2025

Review of Activities, Achievements and Performance

The main areas of activity are the promotion of organic gardening, horticulture and a sustainable lifestyle. In 2024, the organisation continued to accomplish its goals in relation to its QQI Level 5 Organic Horticulture Training Course, its commitment to quality weekday and weekend training courses and its engagement with the local community through a variety of programmes.

The company performed as well as its resources would allow in attempting to fulfil its commercial objectives for the year. A comprehensive strategic planning process was successfully undertaken to position the organisation effectively to cope with the challenges of 2025.

Financial Review

Against the backdrop of limited resources and insecurities over funding, it has continued to be difficult to plan and develop services.

Income

Aside from the income generated by the company's trading activities, the principal funding sources for the company are currently by way of "grant income" from POBAL - Community Services Programme / Department of Rural & Community Development, Mayo Sligo Leitrim ETB and Irish Environmental Network (Department of Environment, Community and Local Government).

Results and Dividends

At the end of the financial year the charity had gross assets of €250,135 (2024 - €244,297) and gross liabilities of €79,372 (2024 - €92,454). The net assets of the charity have increased by €18,920.

In accordance with the Constitution, the trustees retire by rotation and, being eligible, offer themselves for re-election. The secretary who served throughout the financial year was Eugene Fox.

Compliance with Sector-Wide Legislation and Standards

The charity engages pro-actively with legislation, standards and codes which are developed for the sector. The Organic Centre Company Limited by Guarantee subscribes to and is compliant with the following:

- The Charities Act, 2009
- The Charities SORP (FRS 102)

Going Concern (management assessment)

Our main funders POBAL and ETB continue support for the organisation and we plan to increase income through the development of our online services and the website. We are focused on safeguarding the reduction in our level of debt and this

work will continue for the remainder of this year and beyond, including cost-cutting measures.

Approved by the Board of Trustees on 2 July 2026 and signed on its behalf by:

The Organic Centre Company Limited by Guarantee TRUSTEES' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2025

The trustees are responsible for preparing the Trustees' Report and Financial Statements in accordance with the Charities Act, 2009 and applicable regulations.

The law applicable to charities in the Republic of Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the assets, liabilities and financial position of the charity as at the financial year end date and of the surplus or deficit of the charity and otherwise comply with the Charities Act, 2009.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees confirm that they have complied with the above requirements in preparing the financial statements.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2009 and the provisions of the charity's constitution and rules. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Trustees on 2 July 2026 and signed on its behalf by:

INDEPENDENT AUDITOR'S REPORT

to the Members of The Organic Centre Company Limited by Guarantee

Report on the audit of the financial statements

Opinion

We have audited the charity financial statements of The Organic Centre Company Limited by Guarantee ('the Charity') for the financial year ended 31 December 2025 which comprise the Statement of Financial Activities, the Balance Sheet and the notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Charity as at 31 December 2025 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been properly prepared in accordance with the requirements of the Charities Act, 2009.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described below in the Auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Charities Act, 2009

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Trustees' Report is consistent with the financial statements;
- the Trustees' Report has been prepared in accordance with the Charities Act, 2009; and

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the charity were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of The Organic Centre Company Limited by Guarantee

Respective responsibilities

Responsibilities of trustees for the financial statements

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the trustees are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the charity's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The Organic Centre Company Limited by Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2025

1. GENERAL INFORMATION

The Organic Centre Company Limited by Guarantee is a charity incorporated in Ireland. The registered office of the charity is Sraud, Rossinver, Co. Leitrim which is also the principal place of business of the charity. The financial statements have been presented in Euro (€) which is also the functional currency of the charity.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102".

the Charity has applied the Charities SORP on a voluntary basis as its application is not a requirement of the current regulations for charities registered in the Republic of Ireland.

Statement of compliance

The financial statements of the charity for the financial year ended 31 December 2017 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland FRS 102", applying Section 1A of that Standard.

Fund accounting

The following are the categories of funds maintained:

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the charity.

Unrestricted funds

Unrestricted funds consist of General and Designated funds.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the charity.

- Designated funds comprise unrestricted funds that the board has, at its discretion, set aside for particular purposes. These designations have an administrative purpose only, and do not legally restrict the board's discretion to apply the fund.

Income

Income is recognised by inclusion in the Statement of Financial Activities only when the charity is legally entitled to the income, performance conditions attached to the item(s) of income have been met, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the charity.

Income from charitable activities

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the charity. Income from government and other co-funders is recognised when the charity is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the charity is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the charity is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

- Time based conditions: whereby the charity is contractually entitled to funding on the condition that it is

The Organic Centre Company Limited by Guarantee

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2025

utilised in a particular period. In these cases the charity recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the charity is notified of entitlement.

Grants received towards capital expenditure are credited to the Statement of Financial Activities when received or receivable, whichever is earlier.

Expenditure

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed, and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the charity but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measure for each activity.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Land and Land Improvements freehold	4% Straight line
Plant and machinery	10% Straight line
Fixtures, fittings and equipment	10% Straight line
Motor vehicles	20% Reducing Balance
Buildings	4% Straight line

Inventories

Inventories are stated at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all costs incurred in the normal course of business in bringing them to their present location and condition. Inventories comprise fundraising materials. It is not considered practicable to value inventories of unsold donated goods at the financial year end.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the charity from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

Taxation and deferred taxation

No current or deferred taxation arises as the charity has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the charity's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
